Alabama

Engineer: Hershey Reeves

Transfer of analog tape & preparation of CD master
by: David Glasser—Airshow, Inc.—Springfield,
Virginia

Photography: Jim McGuire

Art Direction & Design: Fred Carlson

Production Coordinator: Gary B. Reid

Although the Front Porch String Band may not yet be a household word in Bluegrass circles, we here in Alabama have had the pleasure of hearing them for several years and just can't wait for everyone else to join in the fun. Blending solid instrumentation, creativity, good material and great vocals by Claire Lynch, they are a musical force to be reckoned with.
